

SANGARU VAMSI KRISHNA

Career Objective

Highly motivated and detail-oriented networking professional with a strong foundation in CCNA and CCNP. Proficient in routing, switching, and routing protocols. With 2.5 years of experience in web development, I bring a unique blend of technical skills and entrepreneurial spirit. Currently pursuing CCNA and CCNP certifications to transition into a networking role.

Technical Skills

- **Networking:**
 - CCNA (Cisco Certified Network Associate) - Pursuing
 - CCNP (Cisco Certified Network Professional) - Pursuing
 - Routing Protocols (OSPF, EIGRP, BGP)
 - Switching (VLANs, STP, EtherChannel)
 - Network Design and Implementation
- **Web Development:**
 - HTML5, CSS3, JavaScript
 - Front-end frameworks: React | Angular | Bootstrap
 - Back-end development: Node.js | Python
 - Database management: MySQL | MongoDB
 - Responsive web design
 - Figma for UI/UX design
- **Ms Office |MS Excel**
- **Team management**

Experience:

Founder & Web Developer, SparkScale

(2023-2024)

- Founded and managed a web development startup, providing services to various clients.
- Developed websites for e-commerce, colleges, photo studios, and other organizations.
- Managed front-end and back-end development projects.
- Implemented database solutions for web applications.

Web Development Intern, MegaVizTech

(2 months)

- Developed various projects using HTML, CSS, JavaScript, and Figma.
- I gained hands-on experience with front-end development and UI/UX design.
- Collaborated with the development team to deliver projects.

Education

CCNA (Cisco Certified Network Associate) - Pursuing

CCNP (Cisco Certified Network Professional) - Pursuing

Bachelor of Technology, KITS College Ramachandrapuram March 2025

- Completed B. Tech in Computer Science and Engineering
- Gained a strong foundation in computer science and engineering principles

Intermediate, Samaskara Bharathi Junior College

March-2021

- Completed Intermediate education in 2021, with a focus on MPC
- Developed a strong foundation in science and mathematics

SSC, Govt. High School, Sompeta

March 2019

- Completed Secondary School Certificate in 2019
- Performed well in core subjects like Mathematics, Science, and English

Career Objective:

To leverage my experience in web development and knowledge of networking to secure a role that utilizes my skills in CCNA and CCNP, contributing to innovative projects and continuous learning in the field of networking.
